Access to the library resources
via **Google Scholar**

1.   What are the resources available via Google Scholar?

Four databases available at the library which give access to **academic journals** are available via Google Scholar:

- Business Source Complete
- Emerald
- JSTOR
- ScienceDirect

2.   Connect to Google Scholar

- http://scholar.google.com

3.   Configure the access to the library's electronic resources via Google Scholar

- Click on "Scholar Preferences"

- From the heading "Library links", enter "HEC Paris"
- Click on "Find library"

Library Links (what's this?)

HEC Paris   Find Library

e.g., *Harvard*

Online access to library subscriptions is usually restricted to patrons of that library. You may need to login with your library password, use a campus computer, or configure your browser to use a library proxy. Please visit your library's website or ask a local librarian for assistance.

- The HEC library appears under the name "**HEC Paris Library – HEC Paris – Full Text**"
- The box is checked by default
